Article 1. Definitions

1. Section 1850 is amended to read:

§ 1850. Definitions.

The following terms used in subchapter 11.3 of title 10 shall have (unless the context indicates otherwise) the following meanings:

(a) "Affiliate" means any person controlling, controlled by, or under common control with, the specified person, directly or indirectly, through one or more intermediaries.

"Affiliate" includes an affiliated company.

(b) "Applicant" means any person, including any of its affiliates, who applies for a license under the Debt Collection Licensing Act. An affiliate who is not applying for a license is not an applicant for purposes of licensure under the Debt Collection Licensing Act.

(c) "Branch office" means a location other than the applicant's or licensee's principal place of business identified in a license application or an amended application if activity related to debt collection occurs at the location and the location is held out to the public as a business location or money is received at the location or held at the location. For purposes of filing a Form MU3, holding a location out to the public includes receiving postal correspondence from the public at the location, meeting with the public at the location, including the location on business cards, letterhead, or any other correspondence, including signage at the location, or any other representation to the public that the location is a business location of the applicant or licensee.

(d) "Commissioner" means the Commissioner of Financial Protection and innovation.

(e) "Control" means possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise. A person who, directly or indirectly, owns, controls, holds with the power to vote, or holds proxies representing, ten percent (10%) or more of the then outstanding voting securities issued by another person is presumed to control such other person. For purposes of this subchapter, the Commissioner may determine whether a person in fact controls another person.

(f) "Debt buyer" means a person or entity that is regularly engaged in the business of purchasing charged-off consumer debt for collection purposes, whether it collects the debt itself, hires a third party for collection, or hires an attorney-at-law for collection litigation. "Debt buyer" does not mean a person or entity that acquires a charged-off consumer debt incidental to the purchase of a portfolio predominantly consisting of consumer debt that has not been charged off.

(g) "Debt Collection Licensing Act" means California Financial Code section 100000 et seq.

(h) "Debt collector" has the same meaning as set forth in subdivision (j) of Section 100002 of the Financial Code.

Version 9, dated 9/12/2016, is hereby incorporated by reference in its entirety.

(p) For purposes of subdivision (a) of Financial Code section 100020, "net proceeds generated by California debtor accounts" means the amount retained by a debt collector from its California debt collection activity.

(1) For the California debt collection activity of a debt buyer as defined in Civil Code section 1788.50, this is equal to the amount the debt buyer collects on a debt minus the prorated amount it paid for that debt, before deducting costs and expenses.

(2) For the California debt collection activity of an owner of debt who is not a debt buyer under paragraph (1) of this subdivision, this is equal to the amount the owner receives in fees and other charges from debtors that it would not have received had the debt been paid on time, before deducting costs and expenses.

(3) For all other California debt collection activity, this is equal to the amount a debt collector receives from its clients, regardless of fee structure, before deducting costs and expenses. For purposes of this section, "client" means the company on whose behalf the debt collector has been contracted to collect on an account.
