2. On October 11, 2007, the Commissioner issued a permit under Corporations Code section 25113 to Estate Financial, Inc. to offer and sell securities in the form of fractional interests in notes secured by deeds of trust in California. The permit expires on October 11, 2008.

3. The permit was issued under a limited offering qualification authorizing the offer and sale of Respondent's securities only to investors with (a) a net worth (exclusive of home, furnishings and automobiles) of at least \$250,000 and an annual gross income of at least \$65,000; or (b) a net worth (exclusive of home, furnishings and automobiles) of at least \$500,000 and the amount of each investor's investment must not exceed 25% of such investor's net worth (exclusive of home, furnishings and automobiles.)

4. In April 2008, the Department determined that Respondent was violating the terms of the Permit in the following manner:

a. Failing to disclose that Respondent was no longer making monthly interest payments to investors in the Fund in direct contradiction of the representations made in the Offering Circular.

b. Failing to provide prospective investors with the subscription agreement, operating agreement and suitability questionnaire prior to accepting investment funds.

5. Corporations Code section 25140(a)(1) provides in pertinent part as follows:
The commissioner . . . may suspend or revoke any permit issued under Section 25113 or 25122 if he or she finds (A) that the order is in the public interest and (B) that the proposed plan of business of the issuer or the proposed issuance or sale of securities is not fair, just, or equitable, or that the issuer does not intend to transact its business fairly and honestly, or that the securities proposed to be issued or the method to be used in issuing them will tend to work a fraud upon the purchaser thereof.

The commissioner may by order summarily postpone or suspend the effectiveness of any qualification pending final determination of any proceeding under this chapter. Upon the entry of the order, the commissioner shall promptly notify each person specified in subdivision (b) of this section that is has been entered and of the reasons therefor and that upon receipt of a written request the matter will be set down for hearing to commence within 15 business days after such receipt unless the applicant consents to a later date. If no hearing is requested and none is ordered by the commissioner, the order will remain in effect until it is modified or vacated by the commissioner. If a hearing is requested or ordered, the commissioner, after notice and hearing in accordance with subdivision (b) of this section, may modify or vacate the order or extend it until final determination.

7. The Commissioner finds that summarily suspending the permit issued to Respondent is in the public interest and that Respondent’s proposed plan of business and proposed issuance of securities is no longer fair, just and equitable because the Respondent’s Offering Circular contains material misrepresentations about the investment and the Respondent is not conducting business as disclosed in the Offering Circular.

8. The Commissioner finds that revoking the permit issued to Respondent is in the public interest and that Respondent’s proposed plan of business and proposed issuance of securities is no longer fair, just and equitable because the Respondent’s Offering Circular contains material misrepresentations about the investment and the Respondent is not conducting business as disclosed in the Offering Circular.

WHEREFORE, that the permit issued under Corporations Code section 25113 to Estate Financial, Inc. is summarily suspended as of this date.
