20 commissioner in accordance with this division or losses or for damages
21 incurred by consumers as the result of a licensee's noncompliance with the
22 requirements of this division.

regulation made by the commissioner under and within the authority of this
division.

(c) A fact or condition exists that, if it had existed at the time of the original
application for the license, reasonably would have warranted the commissioner
in refusing to issue the license originally.
