21 registrations held by, and/or deny any pending application(s) of Johnson, Media360 or its successors
22 and assigns, by whatever names they might be known. Media360 and Johnson hereby waive any

1 Agreement shall not serve to exculpate Johnson or Media360 or any of its partners, owners, officers,
2 directors, shareholders, employees, or successors from liability for any and all unknown or future
3 violations of the FIL. However, this Agreement resolves and discharges Media360 and Johnson of any
4 further liability, fine, discipline, or other punitive action that could have been brought by the

9 10. Agreement Coverage. The Parties hereby acknowledge and agree that this Agreement
10 is intended to constitute a full, final, and complete resolution of this matter. The Parties further
11 acknowledge and agree that nothing contained in this Agreement shall operate to limit the
12 Commissioner's ability to assist any other agency (city, county, state, or federal) with any
13 prosecution, administrative, civil or criminal, brought by any such agency against Media360 or
14 Johnson based upon any of the activities alleged in this matter or otherwise.

2 this Agreement shall be valid or binding to any extent unless it is in writing and signed by all of
3 the parties affected by it.

4 14. Full Integration. This Agreement is the final written expression and the complete and

8 and among the Parties, their respective representatives, and any other person or entity, with respect to
9 the subject matter covered hereby.

10 15. No Presumption from Drafting. In that the Parties have had the opportunity to draft,
11 review and edit the language of this Agreement, no presumption for or against any party arising out of
12 drafting all or any part of this Agreement will be applied in any action relating to, connected to, or
13 involving this Agreement. Accordingly, the Parties waive the benefit of Civil Code section 1654 and
14 any successor or amended statute, providing that in cases of uncertainty, language of a contract should
