**DESIST AND REFRAIN ORDER**  
**(For violations of sections 25110 and 25401 of the Corporations Code)**

The California Corporations Commissioner finds that:

1. At all relevant times, Henry Mauriss (“Mauriss”) was a Managing Member and a control person of Power Station, L.L.C., a Nevada limited liability company formed on October 8, 2002. Power Station, L.L.C. maintains a business address at 3838 Grandview Drive, Brea, California 92823.
2. Beginning in or about August 2006, Mauriss and Power Station, L.L.C. offered or sold securities, in the form of Convertible Notes, to California residents.
3. Through general solicitations in the form of advertisements on the company’s Web site, www.powerstationllc.com, Mauriss, Buscher and Power Station, L.L.C. offered or sold securities.

1 4. According to Power Station, L.L.C.'s Web site, "[t]o support the continued growth of its  
2 business, Power Station LLC has authorized a second Offering through which investors may purchase  
3 Convertible Notes bearing high yields and short terms. The company issued a similar Offering in  
4 March 2003, the proceeds from which funded the development and testing of the first PowerPort  
5 prototype. Given how popular the first Offering was among investors, and the success the Company  
6 realized in the Offering, it has elected to issue a second Convertible Note security offering similar  
7 yields. The new Offering is available to accredited investors now . . . The full Offering Memorandum  
8 is downloadable . . . ."

9  
10 5. These securities were offered or sold in this state in issuer transactions. The Department of  
11 Corporations has not issued a permit or other form of qualification authorizing any person to offer and  
12 sell these securities in this state.

13  
14 6. In connection with these offers or sales, Mauriss and Power Station, L.L.C. omitted to disclose  
15 to investors that on February 14, 2006, the Texas State Securities Board issued a Cease Publication  
16 Order against Power Station, L.L.C., Henry Mauriss, Matthew Buscher and Douglas Rucker for the  
17 unqualified, non-exempt offer and sale of securities and fraud in relation to the offer and sale of  
18 securities in the State of Texas.

19  
20 Based upon the foregoing findings, the California Corporations Commissioner is of the opinion  
21 that the investments that are being or have been offered or sold by Henry Mauriss and Power Station,  
22 L.L.C. are securities subject to qualification under the California Corporate Securities Law of 1968  
23 (California Corporations Code section 25000 et seq.) and are being or have been offered or sold  
24 without being qualified in violation of Corporations Code section 25110. Pursuant to section 25532 of  
25 the Corporate Securities Law of 1968, Henry Mauriss and Power Station, L.L.C. are hereby ordered to  
26 desist and refrain from the further offer or sale in the State of California of securities, including but not  
27 limited to Convertible Notes, unless and until qualification has been made under the law or unless  
28 exempt.

1 Further, the California Corporations Commissioner is of the opinion that the securities that are  
2 being or have been offered or sold by Henry Mauriss and Power Station, L.L.C. were offered or sold  
3 in this state by means of written or oral communications which included an untrue statement of a  
4 material fact or omitted to state a material fact necessary in order to make the statements made, in the  
5 light of the circumstances under which they were made, not misleading, in violation of section 25401  
6 of the Corporate Securities Law of 1968. Pursuant to section 25532 of the Corporate Securities Law  
7 of 1968, Henry Mauriss and Power Station, L.L.C. are hereby ordered to desist and refrain from  
8 offering or selling or buying or offering to buy any security in the State of California, including but not  
9 limited to Convertible Notes, by means of any written or oral communication which includes an untrue  
10 statement of a material fact or omits to state a material fact necessary in order to make the statements  
11 made, in the light of the circumstances under which they were made, not misleading.

12  
13 This Order is necessary, in the public interest, for the protection of investors and consistent  
14 with the purposes, policies, and provisions of the Corporate Securities Law of 1968.
