9 accordance with Goldman's trading system. Each of Goldman's "Directed Account" clients
10 has paid Goldman a monthly fee of approximately \$285 to make decisions for them about

12 Financial Inc. on their behalf to be executed in their individual accounts. On behalf of his

2 the further opinion that Oscar Goldman, Trader Tech, Inc., Trader Tech University and
3 Vestec, Inc. have been acting as commodity merchants in the state of California without
4 being registered or temporarily licensed with the Commodity Futures Trading Commission,
5 in violation of Corporations Code section 29535.
