Pursuant to California Financial Code section 22112, all CFL licensees are required to maintain a surety bond in the minimum amount of \$25,000.00. The surety bond of respondent expired on June 29, 2010. On or about May 28, 2010 the Commissioner notified respondent that a replacement surety bond had to be filed immediately, but no later than the expiration date to avoid suspension or revocation of its CFL license.

Respondent has yet to obtain a replacement surety bond in violation of California Financial Code section 22112.

III

California Financial Code section 22112 provides in pertinent part:

A licensee shall maintain a surety bond in accordance with this subdivision in the amount of twenty-five thousand dollars (\$25,000). The bond shall be payable to the commissioner and issued by an insurer authorized to do business in this state. A copy of the bond, including any and all riders and endorsements executed subsequent to the effective date of the bond, shall be filed with the commissioner for review and approval within 10 days of execution. For licensees with multiple licensed locations, only one surety bond in the amount of twenty-five thousand dollars (\$25,000) is required. The bond shall be used for the recovery of expenses, fines, and fees levied by the commissioner in accordance with this division or losses or for damages incurred by consumers as the result of a licensee's noncompliance with the requirements of this division.

California Financial Code section 22714 provides in pertinent part:

The commissioner may suspend or revoke any license, upon notice and reasonable opportunity to be heard, if the commissioner finds any of the following:

(a) The licensee has failed to comply with any demand, ruling, or requirement of the commissioner made pursuant to and within the authority of this division.

(b) The licensee has violated any provision of this division or any rule or regulation made by the commissioner under and within the authority of this division.

(c) A fact or condition exists that, if it had existed at the time of the original application for the license, reasonably would have warranted the commissioner in refusing to issue the license originally.
