Step 2

Contact Your Homeowners Insurance

Immediately submitting a claim to your **homeowners insurance provider** will start the process of getting assistance to you as soon as possible. They may even provide information that you need to communicate to your mortgage servicer.

Step 3

Contact Your Mortgage Servicer

Inform your **mortgage servicer** about your current circumstances. Their contact information should be on your monthly mortgage statement. You can also look it up on the Mortgage Bankers Association website at www.mba.org/news-research-and-resources/disaster-recovery/contact-your-mortgage-servicer. If you are having difficulty contacting your mortgage servicer, call the Homeowner's HOPE™ Hotline at 1-888-995-4673.
