

DEPARTMENT OF BUSINESS OVERSIGHT*Ensuring a Fair and Secure Financial Services Marketplace for all Californians*

January 8, 2016

Dear Senator/Assemblymember:

The Department of Business Oversight (DBO) respectfully submits the attached 2016 Report on the Broker-Dealer Investment Adviser (BDIA) Program as required by the Budget Act of 2014. Beginning in 2016, pursuant to the Budget Act, the DBO must provide the Legislature and Department of Finance an annual report on the BDIA Program by January 10 of each year.

Recognizing the need for proper oversight of broker-dealers and investment advisors, the Legislature enacted SB 538 (Chapter 335, Statutes of 2013), which authorized the DBO to collect annual registration renewal fees from broker-dealers and investment advisors to support regular examination of its licensees. Regular and periodic examinations help ensure broker-dealers, investment advisors, and their employees who perform important functions on behalf of Californians adhere to the law and their duties to investors.

Upon authorizing BDIA Program to spend the revenue from the renewal fees, the Legislature also required annual reporting on the BDIA Program. Specifically, the report includes information on the number of positions authorized and filled, the number and share of licensees examined, results and outcomes of examinations, and estimated staffing levels required to achieve legally required examination cycles for licensees under the Program.

I hope you find the report informative and useful. Please do not hesitate to contact me at (916) 324-9011 or JanLynn.owen@dbo.ca.gov, or Rohimah Moly, Legislative Deputy, at (916) 322-8899 or rohimah.moly@dbo.ca.gov, if you have questions or concerns. The report also can be found on the DBO website at dbo.ca.gov.

Sincerely,

Jan Lynn Owen

Jan Lynn Owen

Commissioner of Business Oversight

The Department of Business Oversight (DBO) submits this report pursuant to the Budget Act of 2014 (Senate Bill 852, item 1701-001-0067). The DBO's Broker-Dealer Investment Adviser (BDIA) Program, under the Corporate Securities Law of 1968, licenses and regulates investment advisers, investment adviser representatives, broker-dealers and broker-dealer agents. Regulatory oversight helps protect the investing public from unethical and fraudulent activities and ensure California's financial services market is secure, fair and transparent. The BDIA Program carries out its oversight duties by performing detailed licensing reviews and regulatory examinations of licensees. The following table shows historical number of licensees.

The BDIA Program conducted 72 examinations of broker-dealers and investment advisers in fiscal year 2014-15. The remaining 70 examinations identified various violations which each licensee took corrective action to bring them into compliance.

The BDIA Program has 73 authorized positions. Fifty of these positions are allocated to perform examinations, seven perform licensing functions, and 16 manage or provide support to the Program.
