GENERAL INFORMATION

Senate Bill 455 (Ch. 478, Stats. 2019) was signed into law on October 2, 2019. This new law (the Act) establishes CalMoneySmart to provide grants of up to \$100,000 to specified nonprofit organizations for financial education and financial empowerment programs and services for the unbanked and the underbanked. The Act requires the Department of Business Oversight (Department) to administer the application process and award grants of up to one hundred thousand dollars (\$100,000) to each grant recipient, beginning in the 2020-2021 fiscal year. Each fiscal year begins on July 1 and ends on June 30. The Department may award up to \$1,000,000 each fiscal year until CalMoneySmart sunsets on January 1, 2025.

The Federal Deposit Insurance Corporation (FDIC), in its biennial "National Survey of Unbanked and Underbanked Households,"¹ found that 6.5% of American households are unbanked and that an additional 18.7% of households were underbanked. Unbanked is defined to mean that no one in the household had a checking or savings account. Underbanked is defined to mean that the household had a checking or savings account and also used one of the following products or services from an alternative financial services (AFS) provider in the 12 months preceding the Survey: money orders, check cashing, international remittances, payday loans, refund anticipation loans, rent-to-own services, pawn shop loans, or auto title loans.
